## 304 Stainless Steel

- |                       |  |
|-----------------------|--|
| • <b>Material:</b>    | 304 Stainless Steel  |
| • <b>Steel Grade:</b> | BS304 - EN 1.4301/1.4576   |
| • <b>Features:</b>    | <ul style="list-style-type: none"> <li>• Compact quick to fit and with no loose parts. No specialist tools or training required for installation.</li> <li>• Ideal for a wide range of applications. Suitable for mounting on all shapes and sizes of supports.</li> <li>• Easily adjusted, repositioned and can be reused too.</li> </ul> |

The stainless steel banding has the convenience of being able to produce instant hose clamps to any desired diameter from a kit. By simply cutting off the required length from a continuous banding roll and engaging one end of the band into each housing of the connector a hose clamp is made.

Item No.	Description	Size	Thickness (mm)
<b>SSHR3</b>	Stainless Steel banding (pack of 10)	13mm x 150mm	0.9
<b>SSHR1</b>	Stainless Steel Banding (coil)	13mm x 10m	0.9
